

Meeting of	House of delegates Jan. 14. 2017	 agenda point 4a
Subject	50 th KI-EF Convention / ICON 2017	
Proposed by	KI-EF Board	

Objective

Admission ICON 2017 by KI-EF delegates

Basic Motivation

In KI-EF Dues is an amount of € 3,70 for KI-EF conventions which means that all KI-EF members have free access to a convention of the Federation.

For our 50th convention, combined with ICON 2017, this means that European Kiwanians have at least free access to

- **The KI-EF opening session (if any),**
- **KI-EF House of delegates and**
- **KI-EF Closing session (if any).**
-

Coming to Paris and paying \$ 300,-- registration fee (Early bird fare) or when registered later \$ 400,-- for only attending the KI House of delegates will keep many European Kiwanians away from the combined convention.

During a meeting with KI President Jane Erickson, Executive Director Stan Soderstrom, CFO Bob Broderick, COO Jeff Oates, Bill Parker and Daniel Vingeron, was agreed:

- **Opening session will be combined with a large awareness for the European Federation. At no extra costs!**
- **Closing session will also be combined, also with a large awareness for Europe. No extra costs.**
- **Gala dinner on Friday will be a KI-EF Gala ticketed event, open for all other delegates (max 1.000).**
- **That a proposal to the KI-EF House of Delegates will be presented as follows:
KI-EF pays an amount of € 67.000,-- and all European delegates/members have free access to ICON 2017.**

Advice

Use of maximum € 50.000,-- out of the Convention reserves
